R2,529

The SanDisk Phone Drive offers a convenient solution for portable data storage with its 256 GB capacity. Designed for versatility, this USB flash drive features a robust USB-C 3.2 Gen 1 interface that provides read speeds of up to 150 MB/s, making it easy to transfer files efficiently. The key ring loop adds practicality, allowing users to keep their drive close at hand while ensuring reliable performance in varying conditions with its operating temperature range of 0°C to 45°C.
