R4,913

The SanDisk Phone Drive offers a practical solution for users needing portable storage with its 1 TB capacity. Designed to accommodate a wide range of needs, this USB flash drive provides ample space for documents, photos, and videos. With a sleek metal body, it is durable and stylish, making it easy to carry. The built-in key ring loop allows for convenient attachment to bags or keys, ensuring that this essential storage device is always on hand.

Featuring a USB-C 3.2 Gen 1 interface, the Phone Drive supports a read rate of up to 150 MB/s, allowing for rapid file transfers. Operating within temperature ranges of 0°C to 45°C, it is built to withstand a variety of environmental conditions, making it versatile for any user on the go.
