The SanDisk Ultra USB flash drive offers a spacious 1 TB storage capacity, providing ample space for important files, photos, and videos. Featuring a USB 3.2 Gen 1 interface, it ensures fast data transfer with read rates of up to 130 MB/s, making it an efficient choice for quick access to data. The retractable connector design helps keep the connector secure and clean, while the key ring loop adds convenience for carrying. This combination of portability and performance makes the SanDisk Ultra a reliable choice for everyday storage needs.
