ASUS GT730-4H-SL-2GD5 NVIDIA GeForce GT 730 2 GB GDDR5

Model: 90YV0H20-M0NA00

Manufacturer: ASUS

EAN: 4711081369417

Product Code: 1178509

R2,003

Big Productivity in a Small Package

The ASUS GeForce® GT 730 is a passively-cooled single-slot graphics card that enables quiet multi-monitor productivity

COOLING

Passive Cooling

A passively-cooled design creates a quieter workspace.

ENGINEERING

4x HDMI Ports

Enable multi-monitor productivity with support for up to 4 external displays connected to the built-in HDMI ports.

Single-slot Design

A compact design increases compatibility with other PCIe peripherals and even allows multiple ASUS GT730s to be stacked in a single system.

Auto−Extreme Technology
Precision automated manufacturing
Auto-Extreme Technology is an automated manufacturing process that sets new standards in the industry by allowing all soldering to be completed in a single pass. This reduces thermal strain on components and avoids the use of harsh cleaning chemicals, resulting in less environmental impact, lower manufacturing power consumption, and a more reliable product overall.

SOFTWARE

GPU Tweak II
Monitor, tweak, and tune
The ASUS GPU Tweak II utility takes graphics card tuning to the next level. It allows you to tweak critical parameters including GPU core clocks, memory frequency, and voltage settings, with the option to monitor everything in real-time through a customizable on-screen display. Advanced fan control is also included along with many more features to help you get the most out of your graphics card.
