Product Code: 1178569

R1,600

The SanDisk Ultra USB flash drive combines high-capacity storage, performance, and durability in one compact package. With a storage capacity of 256 GB, it offers plenty of space for all your important files. The drive features a USB 3.2 Gen 1 interface, providing fast data transfer speeds of up to 100 MB/s, so you can quickly move large files with ease. Its durable plastic body is built to withstand daily use, ensuring your data is always protected. Whether you're at home, at work, or on-the-go, this flash drive is designed to perform in a wide range of environmental conditions, operating reliably from 0°C to 45°C.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
