R3,879

The SanDisk Extreme Fit USB flash drive offers a robust and efficient storage solution, with a spacious storage capacity of 512 GB to accommodate a variety of files and media. Designed with a USB-C 3.2 Gen 1 interface, it enables rapid data transfer with read rates up to 400 MB/s, making it easy to move large amounts of data quickly and reliably. Built for everyday use, this flash drive features a Plug-and-Play capability, allowing users to start transferring files immediately without any complicated setup. Its operational temperature range of 0°C to 45°C ensures reliable performance in diverse environments, providing the versatility needed for both home and professional applications.
