R6,760

The SanDisk Extreme Fit USB flash drive offers a reliable storage solution with a generous 1 TB of space, ideal for storing important files and transferring data. It features a USB-C 3.2 Gen 1 interface, which provides read speeds of up to 400 MB/s for quick access to files. Plug and Play functionality ensures ease of use, making it a convenient choice for efficient data management across devices. Built to withstand a wide range of environmental conditions, this drive operates effectively in temperatures ranging from 0°C to 45°C. With its compact and portable design, the SanDisk Extreme Fit USB flash drive is suitable for on-the-go users who need dependable storage.
