

SANDISK Extreme Pro USB 256GB Flashdrives Gray Metal

Model: SDCZ890-256G-G46

Manufacturer: SANDISK

EAN: 619659202569

Product Code: 1178575

R2,619

Experience high-speed data transfer with the SanDisk Extreme PRO USB flash drive. With a storage capacity of 256 GB, this flash drive allows for fast read speeds of 1000 MB/s and write speeds of 900 MB/s, making it suitable for managing and storing large files seamlessly. The metal body ensures durability, providing a sturdy solution for on-the-go storage. Additionally, the key ring loop offers easy portability, while the support for 4K UHD makes it appropriate for those who require high-resolution media storage.

Designed to operate in temperatures ranging from 0°C to 45°C, this USB flash drive can withstand various environmental conditions, making it a reliable choice for both personal and professional use. Its USB-C 3.2 Gen 2 interface enhances compatibility with a variety of devices, ensuring that data can be accessed quickly and efficiently.
