R4,228

The SanDisk Extreme PRO USB flash drive offers performance and durability for data storage needs. With a 512 GB storage capacity, this drive provides space to store photos, videos, and documents, making it suitable for personal and professional use. The USB-C 3.2 Gen 2 interface ensures fast data transfer rates with read speeds up to 1000 MB/s and write speeds of 900 MB/s, allowing for access to files and data management.

Constructed with a metal body, the SanDisk Extreme PRO is built to withstand daily use. Its compact design includes a key ring loop, allowing attachment to keys or bags for portability. Operating within a temperature range of 0°C to 45°C, this flash drive can perform reliably in diverse environments, making it a storage solution for users on the go.
