R2,268

The Logitech G325 headset offers features designed for an audio experience. With its omnidirectional and beamforming microphone modes, users can enjoy clear communication without unwanted background noise. The headset operates on Bluetooth and LIGHTSPEED wireless technology, providing seamless connectivity with a range of up to 30 m. Enjoy an impressive frequency response range of 20 - 20000 Hz which ensures that every sound is delivered with clarity and precision.

Constructed for comfort, the full-size, over-the-ear mount ensures a snug fit even during extended use. The G325 includes a detachable cable for added convenience, and its rechargeable lithium-ion battery has a capacity of 290 mAh, recharging in 2 hours. Compatible with Windows and Mac, the
