Model: 920-009425

Manufacturer: LOGITECH

EAN: 5099206087446

Product Code: 1179214

R2,059

The G213 Prodigy gaming keyboard features Logitech Mech-Dome keys that are specially tuned to deliver a superior tactile response and performance profile similar to a mechanical keyboard. Mech-Dome keys are full height, deliver a full 4mm travel distance, 50 g actuation force, and a quiet sound operation. The G213 Prodigy gaming keyboard was designed for gaming, featuring ultra-quick, responsive feedback that is up to 4x faster than the 8 ms report rate of standard keyboards and an anti-ghosting matrix that keeps you in control when you press multiple gaming keys simultaneously.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
