The Logitech G PRO X TKL keyboard is designed for serious gamers. It features LIGHTSYNC technology, providing customizable backlit keys that enhance the gaming atmosphere. Its robust build, with polybutylene terephthalate (PBT) keycaps, ensures durability for prolonged gaming sessions. The keyboard offers exceptional connectivity, supporting both 2.4 GHz wireless and Bluetooth, allowing for a clean, wire-free setup and the ability to connect to multiple devices. The inclusion of a detachable 1.8 m cable adds to its portability, making it the perfect choice for gamers on the go. With a rechargeable battery, the Logitech G PRO X TKL keyboard is always ready for action, ensuring that you never miss a beat during intense gaming sessions. Its volume roller button adds a layer of convenience, allowing for quick adjustments during gameplay.
