Product Code: 1179228

R67,825

The Lenovo ThinkPad P14s Gen 7 is designed for professionals looking for a powerful and reliable mobile workstation. Equipped with an 8-core Ryzen AI 7 PRO processor, it delivers smooth performance and efficiency, making it ideal for demanding tasks. The device features a vibrant 14-inch WUXGA display with a brightness of 400 cd/m2 and anti-glare technology, ensuring clarity and visibility in various lighting conditions. With 32 GB of DDR5 RAM and a 1 TB SSD, users can experience fast load times and ample storage for data-intensive applications.

Collaboration and communication are enhanced with a dual-array microphone featuring Dolby Voice and a high-definition camera with a privacy shutter. The laptop also includes robust security features like a fingerprint reader and a Trusted Platform Module (TPM) 2.0. The Lenovo ThinkPad P14s Gen 7
