R101,870

The Lenovo ThinkPad P1 Gen 9 combines powerful performance and professional features to support demanding tasks. Equipped with a 16-inch WUXGA display, this mobile workstation delivers stunning visuals with 100% sRGB color gamut and an impressive brightness of 500 cd/m². The low power consumption and anti-glare screen enhance usability in various environments, ensuring a comfortable viewing experience. With a robust Intel Core Ultra X7 processor and 32 GB LPDDR5X SDRAM, multitasking is seamless, making this notebook suitable for professionals who require reliability and speed.

The device is further enhanced by advanced connectivity options, including Thunderbolt 5 and HDMI ports, allowing versatile data transfer and display capabilities. Its audio features, compliant with
