2.5D curved glass and 60Hz refresh rate ensure smooth touch and visuals.

User-friendly Interaction

Elegant All the Time

Wrist raise to wake and Always-On Display (AOD) enable instant information access anytime. Diverse watch faces cater to personalized styles.

Super-thin Metal Body Design

Lightweight yet Refined

The 9.99mm metal body is sturdy and durable while remaining lightweight and slim.
Paired with a metal rotating crown for precise control and easy operation, combining premium feel with practicality.

Liquid Silicone Strap

Comfort & Quick Change

The quick-release strap design allows tool-free, fast swapping to suit various scenarios like sports, work, and leisure, enabling easy style changes.

Sport, Set No Limit

Barometer & Compass & GNSS

Ready to Go Hiking

Upgraded barometer and compass help track environmental changes during hiking. Independent GNSS records routes for easy retracing. 5ATM water resistance supports swimming and rain, meeting various outdoor needs.

120 Sport Modes

Record Your Moves

Supports 120 sports modes, covering running, cycling, swimming, and more to meet diverse fitness and training needs.

Workout &

Stretching Guidance

Keeps Sports Injuries Away

Voice prompts provide real-time workout feedback to motivate progress. Professional stretching guidance helps relax muscles post-exercise and prevent injuries.

Health, Always Matters

24/7 Health Monitoring

Cares about You as Always

- 24/7 heart rate and blood oxygen monitoring provide real-time health insights and early alerts.
- Sleep tracking helps analyze sleep quality for better rest and recovery.

One-tap Body Check

One-step Closer to Health

One-tap detection offers quick and easy operation for instant health data. Improved accuracy ensures more reliable results, supporting effective health management.

Follow the Pace

Keep the Pace

Breathing training gently guides relaxation and stress relief for better well-being. Female health features thoughtfully track menstrual cycles to help you manage your pace with care every day.

HONOR Health APP

Connects with Honor Health APP to sync data easily, view reports, and track progress. Helps plan workouts and improve health effectively.

Thin, isn't Enough

Bluetooth Call on Watch

Never Miss a Call,

Always Easy to Call

Supports Bluetooth calling with both hands-free answering and active dialing.
No need to take out your phone, freeing your hands to stay efficiently connected.

14-day Long Battery Life

No Worries for Travelling

With up to 14 days of long battery life, say goodbye to frequent charging and enjoy worry-free, all-day health companionship.
