Archer GE400 boasts 6× high-performance antennas enhanced with Beamforming technology, offering expansive coverage and reliable connections. Enjoy smooth, lag-free gaming in every part of your home!

Power and Stability Redefined for Gamers

Enhance your gaming experience with GE400, featuring a quad-core CPU and dual 2.5 Gbps ports, engineered for efficient heat dissipation to ensure smooth and victorious gameplay every time.

Unstoppable Turbo Game Acceleration

Archer GE400 enhances your gaming experience by providing advanced acceleration for applications and devices, while intelligently selecting the optimal traffic path for your game connections.

Instantly Connect with Your Squad

With Archer GE400's gaming port forwarding, you can easily team up with your friends in just three simple steps—select your game, choose your device, and start playing together. Enjoy smooth and hassle-free multiplayer!

Flexibly Create Whole Home Mesh WiFi

Archer GE400 is EasyMesh-compatible. If you have any dead zones at home, just add another EasyMesh router/range extender to further form your whole home multi-gigabit mesh Wi-Fi. No more searching for a stable connection.

KEEP EVERYTHING SECURE

Archer GE400 features HomeShield, with a series of built-in services to provide comprehensive antivirus protection that ensures your total security while gaming online.
