The unique stem is ergonomically designed to follow the natural curve of your ears, offering upgraded comfort. Paired with four different sizes of earpieces, the A23T ensures a snug, secure fit that prevents it from slipping or falling out.

The translucent case and four stylish colour options add a charm to your effortless style.

Inspired by the modern trends, the translucent case lid lets you showcase the earbuds in style. Choose from four unique colours: Olive Black, Coconut White, Mocha Brown, and Grape Yoghurt, each offering a vibe to match your fashion.

Easily take out and use the earbuds on the go, now with a convenient strap holder.

For on-the-go lifestyles, the charging case is designed to let you quickly take out the earbuds — smooth, simple, and intuitive. The strap holder attached to the case makes it convenient to carry them anywhere.

Low-latency mode and 26-hour playtime for stress-free listening.

Experience lag-free audio with low-latency mode — ideal for gaming and watching videos. Combined with up to 26 hours of battery life, enjoy smooth and uninterrupted listening.
