crafted to match your style.

JBL Pure Bass Sound

JBL Pure Bass Sound adds depth, power, and punch to everything you hear. Custom 33mm drivers deliver rich, dynamic audio—whether you're gearing up for the day, kicking back, or getting lost in the music.

Customize your sound with the JBL Headphones App

Make the sound your own with EQ presets. Default for balanced listening, Bass for extra low-end punch, or Vocal to bring voices to the front. Built-in voice prompts confirm your selections, so you always know exactly what mode you're in.

2 beamforming mics for perfect calls

Two beamforming mics on each earcup precisely capture your speech and reduce background noise. So whether you're on a teleconference in a busy café or catching up with a friend during your commute, your voice comes through loud and clear.
