fingertips.

PBT MARS-THEMED KEYCAP SET

Inspired by Mars exploration, this keycap set features Martian dunes, starry skies, and sci-fi base elements. Made from durable PBT with detailed artwork, it offers a premium look and long-lasting performance for an outstanding typing experience.

ESSENTIAL KEYS, SENSATIONAL TYPING

This keyboard features a tenkeyless design that saves desk space and boosts portability without sacrificing performance. Its linear mechanical switches offer smooth, responsive keystrokes, perfect for fast-paced gaming or precise typing. Compact yet powerful, it’s designed for those who value efficiency and style.

TAILOR YOUR SWITCH ANYTIME

Explore the versatility of this keyboard, which enables you to effortlessly hot-swap default mechanical switches with third-party switches (5-pin) without any soldering. This empowers you to easily customize your typing experience, offering flexibility and long-term durability for your keyboard setup.

ENJOY THE SILENCE

Multiple layers of sound-dampening foam and gaskets, expertly engineered to isolate and preserve the pure sound of each key switch. This ensures a clean, satisfying acoustic experience, free from unwanted noise.

INTUITIVE CONTROL & DISPLAY

A 1.06-inch display shows essential information like battery status, RGB backlighting profiles, and brightness levels, keeping you informed at a glance.

INSTANT INTERACTION
