

LOGITECH G316 X 75 - WHITE - (US)

Model: 920-014319

Manufacturer: LOGITECH

EAN: 5099206139114

Product Code: 1181082

R2,703

A compact mechanical keyboard designed for gamers and productivity users who want a space-saving layout without sacrificing essential controls. The 75% form factor keeps commonly used keys within easy reach while reducing desk footprint, and programmable keys allow personalized shortcuts and macros for faster workflows. LIGHTSYNC backlighting adds customizable lighting effects that enhance visibility and create a cohesive desk setup, while durable PBT keycaps provide a textured, long-lasting surface. A detachable USB-C cable and wired USB connection deliver reliable connectivity and straightforward Plug-and-Play use across PC and Mac systems.
