BenQ ZOWIE XQ2566X is a 25-inch gaming monitor designed for competitive players who need fluid motion and clear visuals. It delivers QHD clarity and a 360 Hz refresh rate to help maintain smooth, responsive gameplay, while motion and color enhancements support fast target tracking and visibility in varied scenes. The monitor offers ergonomic adjustments including height, swivel, and tilt for a personalized viewing position, plus multiple HDMI ports, DisplayPort 1.4, and a headphone jack for console and PC setups. Built-in features such as Low Blue Light and Flicker-Free technology help reduce eye strain during long sessions, and power-efficient operation keeps energy use reasonable.
