R34,283

ASUS ExpertBook P5 P5405CSA-NZ0896X is a business-focused notebook designed to deliver responsive productivity and on-the-go collaboration. It combines advanced AI acceleration and a Core Ultra 7 processor with 32 GB of LPDDR5X memory and a 1 TB PCIe 4.0 SSD to handle multitasking, large files, and accelerated workloads smoothly. The 14-inch WQXGA display supports 2560 x 1600 resolution, 100% sRGB coverage, and up to 400 cd/m2 brightness to provide clear, color-accurate visuals in a 16:10 aspect ratio for more vertical workspace. Built-in collaboration
