Kingston Technology DataTraveler 256GB Kyson 220MB/s Metal USB 3.2 Gen 1

Model: DTKNG2/256GB

Manufacturer: KINGSTON

EAN: 740617354171

Product Code: 1181472

R1,689

Elevate your digital workflow with the Kingston® DataTraveler® Kyson™, a high-performance USB 3.2 Gen 1 flash drive designed for those who refuse to compromise on speed or style. Engineered to handle the demands of modern professionals and creators, the DT Kyson delivers exceptional read speeds up to 220MB/s*. Whether you are transferring massive 4K video files or backing up an entire project portfolio, this drive ensures your data moves as fast as you do.

Crafted with a capless steel casing, the DT Kyson offers a combination of sophistication and durability. Its compact form factor is intentionally designed to stay out of the way of adjacent ports, while the integrated functional loop allows for easy attachment to keyrings or lanyards. With capacities up to 512GB**, you can carry your entire digital world in a sleek, portable thumb drive

that fits perfectly into any professional environment. Experience the perfect blend of form and function with the DataTraveler Kyson; backed by a five-year warranty, free technical support and legendary Kingston® reliability.

Designed for the modern user

Built with a durable steel housing, the DataTraveler® Kyson™ is as tough as it is elegant. The small form factor ensures it won't block adjacent ports, while the streamlined design eliminates the worry of losing a cap.

Performance that keeps pace

Don't let your hardware slow down your workflow. The DT Kyson leverages USB 3.2 Gen 1 technology to deliver rapid 220MB/s read speeds*. It is the ideal solution for professionals, creators, and students who need to move massive amounts of data without the wait.

Half a terabyte. Zero compromise.
Forget choosing between your favorite files. With 512GB** of storage, you can carry your entire digital life—thousands of high-resolution RAW photos, hours of 4K video, or an entire library of professional design assets—all in a device that fits on your keychain.
