R1,651

GAME LIGHTER. BATTLE HARDER.

Gain superior control with the ROG Strix Impact III, a lightweight 59-gram ergonomic gaming mouse that is pumped and primed for relentless rounds of hardcore action. It features a 12,000-dpi sensor with an ultra-low 1% deviation, instant and consistent click actuation, and a textured finish for supreme grip and durability. With the ROG Strix Impact III as your sidearm, you'll be hitting above your weight.

DESIGNED TO BE YOUR TRUSTY ULTRALIGHT SIDERAM

The ROG Strix Impact III’s hollow internal design not only enhances structural rigidity, it also results in a drastic weight reduction, making long hours of swift swipes and movements an absolute breeze.

The shape of the mouse is also precisely crafted to ensure it’s a great fit for all sorts of grip styles.

Rest your fingers snuggly on the specially-contoured recess on the L/R buttons, so you hit the perfect spot with every shot.

The extremely flexible and lightweight ROG Paracord plus the 100% PTFE mouse feet minimize drag and snags for a smooth glide.

MOTION TRACKING TO A TEE

Equipped with an optical sensor offering a range of 100-12,000 dpi, and with class-leading 1% deviation and 1000 Hz polling rate, the ROG Strix Impact III guarantees fast response and accurate control.

Use the DPI button at the bottom of the mouse to switch between four preset levels, or use the DPI-on-the-Scroll feature to make adjustments on the fly.

AURA LIGHTING

Take style to the next level through an endless spectrum of colors or preset effects with Aura Sync RGB lighting.

ARMOURY CRATE

Armoury Crate’s intuitive UI lets you easily tune the ROG Strix Impact III to suit your gameplay style — adjust performance and surface calibration settings, program and map buttons, customize lighting effects, and more. You can even track hardware stats during gameplay for data analysis.
