Game-changing Speeds, Unmatched Performance, Unmatched Speed

The VP4300 Lite offers lightning-fast speed and an unrivaled gaming experience with read speeds of up to 7,400MB/s.

Latest NVMe 2.0 Support

The VP4300 Lite fully supports NVMe 2.0, ensuring compatibility and performance across all systems.

Cutting-Edge Cooling

Our special edition ultra-thin graphene cooling heatspreader provides optimal cooling to run smoothly through intense gaming sessions.

PS5 Compatibility

With compatibility between PC and PS5, the VP4300 Lite offers strong performance built for both systems. When in use with the PS5, the VP4300 Lite offer robust sequential read speeds of up to 6,100MB/s.

Massive 4TB Storage Space

With the VP4300 Lite offering capacities of up of 4TB, gamers will have plenty of space for all their games, files, and media whenever they need it.

Maximum Protection, Long-Lasting Performance, Guaranteed

Built with best-in-class materials, the VP4300 Lite also comes with a five-year warranty to ensure guaranteed protection and long-lasting performance.

- Built with the latest PCIe Gen4 x4 controller
- Compliant with NVMe 2.0
- DRAMLESS design
- Support Host Memory Buffer
- Compatible with PS5
- Support Toggle 5 and ONFi 5 mode Flash, up-to double data rate at 2400MT/s
- High efficiency slim Graphene heatshield
