ASUS V700 Mini Tower (VM701MG) is crafted to feel right at home in your living space. With its clean lines and warm, modern design, it blends seamlessly into any room while still giving you the reliable performance you need every day. Powered by built-in Copilot+ AI1 with up to 50 TOPS NPU2, it brings next-generation responsiveness to everything from daily productivity to creative workflows. An advanced cooling system keeps it cool and whisper-quiet, so it never disrupts your flow. Built with premium components and tested for long-lasting durability, it's the best desktop PC you can count on for years to come.
