

Dahua Technology DH- S3024-24GT network switch Unmanaged L2 Gigabit Ethernet (10/100/1000) Desktop/Wall- Mounting Black

Model: DH-S3024-24GT

Manufacturer: DAHUA

EAN: 6939554932663

Product Code: 1182931

R2,003

The Device is a layer-2 commercial switch. It has a high-performance switching engine and a large buffer memory to ensure smooth video stream transmission. With a full-metal and fanless design, the Device features great heat dissipation capability on the shell surface. The Device is an unmanaged switch, so it does not need to be configured through web interface, which simplifies installation.

Plug and Play

Hassle-free, it does not require any configuration. Simply use after it is powered on.

Full Line-rate Forwarding

The ports perform error-free forwarding of frames at high speeds while under a full load.

Easy Installation

Supports desktop, rack mounting and wall mounting, suitable for various scenarios.

Flexible Application

Suitable for use in a wide variety of scenes to meet your requirements.

Port Isolation

Devices under different ports are prevented from communicating with each other, without need of VLAN being configured. Data is also protected from being leaked from the PoE ports and broadcast storms are isolated, making the network safe and easy to use.

Link Aggregation

Combines multiple physical links into one virtual channel for dynamic redundancy and load balancing, ensuring that the connection remains stable.
