ALL YOU NEED FOR ULTRA FAST GAMING

Speed, performance, and visuals combine for smooth frames and total immersion. Radeon™ RX 9000 Series GPUs feature AMD RDNA™ 4 compute units with enhanced raytracing.

SUPERPOWERED VISUALS ENHANCED WITH AI

Immerse yourself in lifelike visuals with next-gen raytracing. Play in perfect clarity with AI-powered AMD FidelityFX™ Super Resolution 4 and advanced frame generation in supported games.

INSTANT PERFORMANCE FOR EVERY MOVE

Take gaming to the next level with AMD HYPR-RX, leveraging Radeon™ Super Resolution, AMD Fluid Motion Frames, Radeon™ Anti-Lag, and Radeon™ Boost.

COLD AS STEEL

Maintain peak performance with advanced cooling technology engineered to keep your system running cold and strong. Featuring 3 FrostBlade 4.0 fans with a counter-spin design and oxygen-free thermal pipes, push the limits and stay cool under pressure.

COUNTER-SPIN DESIGN

Designed to rotate in sync for smoother airflow and enhance cooling efficiency.

ALUMINUM PROTECTIVE BACKPLATE

Durable, corrosion-resistant, and non-flexing for higher structural integrity while enhancing cooling with a larger vent design.

BUILT FOR DOMINANCE

Designed with durability at its core, the engineered using 2.5x longer lifespan capacitors, ventilation-optimized designs with highly conductive thermal pads, and rugged aluminum backplate—the

foundation is set for victory, session after session.

THERMAL PAD

Designed for superior heat conductivity and long-lasting reliability-keep your system cool and stable.

NO MESS, JUST PERFORMANCE

Optimal thermal performance with no mess and maximum contact between the processing unit and heat sink.

PERFORMANCE WITHOUT THE BULK

The streamlined design seamlessly fits into your system for more room to optimize your setup without compromising your overall chassis space—because size shouldn’t limit your potential.

READY FOR YOUR EVOLUTION

Unlock your potential with PREDATOR’s advanced multi-display capabilities. Featuring three Display Ports and HDMI 2.1, you can connect up to four displays and experience seamless performance across gaming, streaming, or creation.

FASTER WITH PCIE 5.0

PCIe 5.0 delivers unparalleled bandwidth, ensuring your system is equipped to handle the most demanding games and creative applications with ease.

ACER INTELLIGENCE SPACE

Your central hub for intelligent device features, Acer Intelligent Space detects your system hardware and recommends compatible AI applications, helping you optimize performance, enhance your gaming experiences, and discover new tools effortlessly.
