Hugely Powerful.

Super Slim.

Got a trip coming up? Unplug yourself for up to two weeks. The watch packs a powerful battery into its

super slim and light body, so you can pack something more fun than a charger into your case.

Take a Deep

Dip with Bip.

IP68 drowning your ambition? With its water-resistance grade of 5 ATM, you can swim with your Bip 3 Pro, without worry. The watch can even track your activity data with its Open Water Swimming sports mode.

SmashBiggggggggerWorkout Goals.

60+ Sports Modes

Get data for all your favorite sports, like indoor and outdoor walking, running and cycling, as well as more freeform workouts like strength training, yoga, and free training.

Take your cardio game to the next level with the watch's Target Pace function, which lets you set and crush your pace goals.

Explore a Big Open World.

The Amazfit Bip 3 Pro supports 4 satellite positioning systems to help you track your moves through the great outdoors with high-precision.

24H Heart Rate Monitoring

Follow Your Heart

All Day.Keep an eye on the most important muscle in your body. The watch can monitor your heart rate all day, and let you know if it becomes abnormally elevated.

You can even check if you're working out in your goal heart rate zone.

SomnusCare

Dream Big, Dream Bip.

Follow your dreams through the light, deep and REM sleep stages. The Amazfit Bip 3 Pro can monitor your sleep quality, so you can rest well enough to keep making the fitness gains you want.

- Monitor Sleep Stages & Daytime Naps
- Track Sleep Breathing Quality
- Get a Sleep Score in the Zepp App

A Bigger Picture of Health.

Don't you wish your fitness tracker took playing with your pet into account? Even cleaning the house is hard work!

Well PAI takes everyday activities into consideration, plus all your regular health and workout data - which is all then converted into a single-value score, unique to you.

Track Your Cycles.

Avoid Big Surprises.

Use the watch to record your current menstrual period, and it will provide predictions and reminders for upcoming menstrual & fertile periods, to help you plan ahead.

Let Your True Colors Shine, Big Time.

With its slim and sleek watch body, combined with a soft and skin-friendly silicone strap, the Amazfit Bip 3 Pro is ready to help you think bigger about your style.

A Smart Partner for Your Phone.

Simplify Daily Life.

Connect to the Zepp App

.The Zepp App on your phone conducts health and exercise data display and analysis, features a watch face store, provides system updates for your watch, and facilitates smart device management.
