Ring in the next era of mobile AI with an AI companion who's one step ahead of your every need. Just let natural conversation guide the way to checking off everyday tasks with ease.

Productivity, enhanced with voice call summary

Get AI-powered run-downs to keep your client calls straight. Recording, transcribing, and summarising calls are much simpler with Call Transcript. Expect smooth communication that picks up right where you left off with your clients.

Find the words you need with Writing Assist

Perfectly crafted professional emails, at your fingertips. Whatever you want to say and in whatever tone or topic, Writing Assist provides you a variety of options so you can communicate more effectively with your clients.

Government-grade security

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

The most powerful processor, customised for Galaxy

Introducing our most powerful processor, customized for Galaxy. With improved real-time ray tracing and Vulkan optimisation, dive deep into the action with ultra-smooth gameplay thanks to Snapdragon® 8 Elite Mobile Platform for Galaxy.

Upscaled with precision. See the difference.

ProScaler enhances resolution by using advanced AI-algorithm processing to deliver a viewing experience in high definition without having to adjust the display settings.

Unparalleled battery life

Our pioneering mDNle technology has been built into our custom-made AP, and with software optimisation, battery usage time is enhanced so you can enjoy hours of watching videos.

The sharpest details from every angle

From Ultra Wide shots to our Telephoto camera, photos are clear and vivid at any angle. Our AI enhanced ProVisual Engine then improves colour and details for next-level clarity.

A sound studio at your fingertips

Filter out unwanted background noise from your videos and make them share-worthy with Audio Eraser. Galaxy AI fine-tunes your audio by adjusting different types of sound including voices, music, wind and more.

Support for a new era of work

Galaxy Enterprise Edition helps you take productivity even further, while keeping your business secure. You don't even need to have a dedicated IT department to benefit. Plus, you'll get 3 years of enhanced business support, and 7 years of security and maintenance releases.
