Product Code: 1183122

R3,120

A good screen navigation in a healthy posture.

The Evoluent3 has the patented ergonomic shape with an extra lip, which supports the last finger. This vertical mouse has great features, like four mouse buttons, a scroll-wheel, and a button to adjust the DPI. Further you can programme the buttons with the Evoluent Mouse Manager software. Relieve your hand, wrist, and forearm with the support of the vertical design, and work in a more relaxed and productive way.
