JBL Sense Lite Headset Wireless Ear-hook Music Bluetooth Purple

Model: JBLSENSELITEPUR

Manufacturer: JBL

Product Code: 1183900

R2,666

Sense the world around you.

JBL Sense Lite earbuds feature JBL OpenSound Technology with Air Conduction for detailed sound with punchy bass. The exclusive new ear hook, lightweight silicone design with memory wire provides all-day comfort while ensuring the perfect listening angle, for great sound and awareness of your surroundings.

Plus, minimal sound leakage means you can turn them up anywhere and still maintain your privacy. A little sweat from your workout or even a light rain won’t be a problem with the water and dust-resistant IP54 rating.

Your calls will sound crystal clear even on a windy day thanks to four outer beamforming mics and environmental noise reduction.

Use the JBL Headphones app to customize your sound with the 10-band EQ, or change the intuitive touch controls on each earbud to handle your music and calls.

JBL OpenSound technology

Enjoy clear, dynamic music while leaving your ear canal open, so you've always got a sense of what's going on around you. The precise fit of your JBL Sense Lite earbuds eliminates sound leakage, so your conversations will always remain private and confidential.

Enhanced dynamic sound

Lightweight, efficient, and highly sensitive 18x11mm dynamic drivers deliver a smooth, balanced sound. Meanwhile, the adaptive bass boost algorithm automatically adjusts the bass based on the music's volume, for an enhanced, dynamic sound with depth and richness.

Designed for all-day comfort

Ears are as unique as fingerprints. So JBL Sense Lite earbuds are designed to provide a perfect listening angle and deliver low sound leakage to the widest variety of ear shapes and sizes. JBL Sense Lite earbuds are made of durable and ultra-soft liquid silicone combined with memory wire. And the balanced design distributes the weight evenly, so they'll be comfortable all day long.

4 mics for crisp, clear calls

Two beamforming mics per earbud effectively capture your voice while suppressing noise from other sources. Meanwhile, the beamforming algorithm minimizes unwanted ambient noise, making the voice effect more intelligible and authentic. The hydrodynamic windproof design significantly reduces distortion from air friction and gives you a clean call experience—even outdoors.

Up to 32 total hours of playtime

With up to 8 hours of playtime in the earbuds and another 24 in the case, even a hardcore listener can go almost a week between changes. And if you ever need a quick boost, 10 minutes on the charger will give you another three hours.

Customize your experience with the JBL Headphones app

Find your own sound using the 10-band EQ. Or change the intuitive touch controls on each earbud to handle your music and calls just the way you like.

IP54 water and dust resistant

Don’t let a little rain keep you from your daily run. These IP54 water and dust resistant earbuds are built for the elements.

Dual connect and sync with Fast Pair

Flip open the case and your earbuds pair with your Android device automatically. With Dual Connect, you can use both earbuds together or use either one individually.

Multi-point connection

Pair your JBL Sense Lite earbuds with up to two Bluetooth® devices at the same time and then switch effortlessly from one to another. So if you’re watching a video on your tablet, you won’t miss a call from your partner on your mobile phone.
