1000MB/s, on 1TB -2TB models¹ and projected for 500GB.¹ Spend less time watching progress bars and more time getting things done.

Built Tougher

No spinning disks. No fragile moving parts. This portable SSD is built tough, with drop protection up to 2 meters,³ helping to keep your files protected.

Pocket-Sized for your Convenience

Slim, lightweight, and easy to carry wherever you go. Slip it into a pocket or small bag and keep your most important files close, without the bulk.

Room for What you Create

From AI-generated edits to photos, videos, and personal archives, this drive gives you fast, reliable space to store what matters most. Download, save, and revisit your work without slowing your flow.

Plug In. Get to Work

With USB-C™ compatibility, setup is instant. Just plug in and start transferring. No hassle and no waiting around.

- 5X Faster than portable hard drives.
- USB-C ready.
- Durable for up to 2 meter drops.
