EASILY FREE UP SPACE ON YOUR IPHONE1

Need more space on your iPhone?1 The iXpand™ Flash Drive Go is the easy way to free up memory. Keep your memories safe by simply plugging in the drive to automatically back up your photos, videos and contacts.2 Once files are on the iXpand Drive, you can use the high-speed USB 3.0 connector to quickly move them onto your computer. You can also password-protect your files, across multiple devices, to keep them private.3 And the dual-purpose swivel protects connectors and features a keyring hole to take your drive on the go.

REE UP SPACE ON YOUR IPHONE1

Out of space on your iPhone? Simply plug in the iXpand™ Flash Drive Go and easily move files off your iPhone, freeing up valuable space. So you can take more selfies, play more games, watch more

videos or whatever else you do with your iPhone

AUTOMATICALLY BACK UP PHOTOS AND VIDEOS2

Your iPhone holds some of your most cherished memories. All you need to do is plug in the iXpand™ Flash Drive Go and it automatically backs up your latest photos, videos and contacts for you. So you can rest assured that even if you lose your phone, you've got the memories that matter most.

SHOOT VIDEOS DIRECTLY TO THE DRIVE5

Videos taking up too much space? With the iXpand™ Flash Drive Go you can record right onto the drive, keeping those memory-heavy files from taking up valuable space on your iPhone.

QUICKLY MOVE CONTENT TO YOUR COMPUTER

Say goodbye to emailing photos between devices. Once files are on your iXpand™ Flash Drive Go, you can use the high-speed USB 3.0 connector to transfer them over to your computer.

PASSWORD-PROTECT YOUR FILES3

Want to keep your files private when you share your drive? Use the iXpand™ app to password-protect your files and photos across iPhone, PC and Mac computers.

DUAL-PURPOSE SWIVEL WITH KEYRING HOLE

The iXpand™ Flash Drive Go has a swivel design that protects its connectors when it's tossed in your bag or pocket and a keyring hole makes it easy to attach to your keyring. So it's always handy if you need to free up space when you're out and about.
