color scheme. Its compact size means it can easily slip into a front pocket or purse. The USB drive's connector retracts with a pull of the slide, protecting the drive when it's not in use.

High-Capacity Drive Stores Your Essential Files

Available in capacities up to 256GB, the Cruzer Glide USB Flash Drive lets you carry your favorite media with you. You'll be able to store, share, and transport hours of HD video, entire photo albums, your music library and important documents.

Fast Drag-and-Drop File Transfer

To transfer files to your drive, plug the flash drive into your computer's USB port and drag the desired files into the drive's folder. No additional software or drivers are required, so you can begin transferring and backing up your files immediately.

SanDisk SecureAccess Software Protects Files with a Password and Encryption

Each Cruzer Glide USB Flash Drive is preloaded SanDisk SecureAccess which lets you create a password-protected folder for your sensitive files. The password protection uses 128-bit AES encryption, so you'll be able to share your drive without sharing private documents.
