

## NETGEAR AX742 network card 24000 Mbit/s

Model: AX742

Manufacturer: NETGEAR

EAN: 606449044058

Product Code: 1184709

## R2,183

- Adds a 24Gbps Stacking connectivity to the GSM7328S and GSM7352S.
- Modular design lowers costs while maximizing flexibility.
- Non-blocking wire-speed performance.
- Configured in a resilient ring topology, delivers 48Gbps of stacking bandwidth.

AX742 Stacking Kit is cost-effective preferred method for local Virtual Chassis Stacking using both rear I/O bays. When some switches are distant, affordable SFP+ (AX743) and 10GBase-T (AX745) I/O modules allow for fiber or copper distant connections, still leveraging rear bays zero-touch stacking functionality.
