The 13-inch Surface Laptop, powered by Snapdragon X2 Plus, is faster for everyday work and on-device AI. The PixelSense touchscreen supports responsive touch interaction in a traditional laptop form factor. See more of what matters with a taller 3:2 display, supporting vertical workspace for reading, editing, and document-focused work. Battery performance supports extended work sessions, with fast charging via USB-C, Wi-Fi 7, and Bluetooth 5.4 for collaboration and cloud access.
