The ROG Cosmic Mat II is a gaming floor pad that combines stellar-inspired design and iconic ROG elements to create a sense of depth and layering that recalls the vast cosmos. Made of jersey fabric, it's easy to clean and maintain, with a nonslip rubber base that ensures stability and durability. It's a great choice for gamers seeking style and functionality.

Stellar-Inspired Design

Through its design language, the ROG Cosmic Mat II sparks imagination for the unknown and inspires courageous exploration. Cosmic elements, curved gravity-inspired, and iconic ROG markings create a sense of depth that reflect the vast cosmos.

Slip-Resistant Base & Comfortable Cushioning

The nonslip rubber base ensures ROG Cosmic Mat II stays securely in place and resists curling. At 4mm thick, the base offers cushion for exceptional comfort while reducing wheel caster noise.
