Optimized for the PCIe Gen4 interface, SPATIUM M460 SSD reaches read/write speeds up to 5000/4500 MB/s, allowing for rapid data transfer and shortened game load times.

**SMALL SIZE,
MORE STORAGE**

The latest 3D NAND flash technology brings dense storage in a compact design and allows SPATIUM storage capacities up to 2TB.

**DON'T
STOP GAMING**

Built-in data security and error-correction capabilities extend the endurance and longevity of the NAND flash storage.

**TAKE CARE
OF YOUR DATA**

Migrate your data, monitor drive health and performance metrics in real-time with MSI Center. Prevent loss of data using the provided Actiphy software solution which includes backup & restore functionality.

**5-YEAR
WARRANTY**

MSI stands by the quality and reliability of the SPATIUM M460 with a 5-Year comprehensive warranty. If you need assistance or are not satisfied with your product, MSI support is available to help and assist.
