

TP-Link VIGI 16 Channel PoE+ Network Video Recorder 4TB

Model: NVR2016H-16MP-4TB

Manufacturer: TP-LINK

EAN: 4895252507195

Product Code: 1186461

R36,897

Security Never Shuts Down

16MP16 Channel PoE+ Network Video Recorder

Every Angle All on One Screen

4K HDMI Video Output & 16MP Decoding Capacity

Sharp image definition up to 8MP (4K) ensures you capture every detail. 8-ch@2MP decoding capacity allows you to enjoy more-channels live view and playback at the same time.

Dedicated 16 PoE+ Ports for Simplified IP Camera Deployment.

Designed to use a single Ethernet cable for both data and power transmission, this NVR offers flexible installation to fit in various surveillance scenarios for small businesses, such as groceries, warehouses, restaurants, and financial institutions.

Reviewing Footage is Faster than Ever

16-Channel Simultaneous Playback*

Replay the feed from up to 16 cameras at the same time, increase replay speed, and find events in the video schedule to easily review footage.

More Compression. More Savings. More Quality.

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

No Need to Check Long Compatibility Lists

ONVIF Ensures Compatibility

Easily add IPCs from VIGI and other brands to establish a powerful and varied network thanks to barrier-free compatibility.

Auto Initialize for Quick Configuration

Just click "Auto Initialize" to set up basic IPC and hard disk parameters, including initialization and recording plans, significantly reducing your configuration time.

Security for Every Hour and Every Day

27/4 Continuous Recording

With the storage capacity of up to 20TB, the NVR supports 24/7 continuous local recording. Customize record schedule or record type to save storage space and quickly search out target footage.

Two-Way Audio

With voice intercom support, scare off any potential thieves or intruders from wherever you are.

Remote Management

Take full control over your security anytime and anywhere on the VIGI app or client.

Live Views and Real-Time Alerts

Easily check your business security via 24/7 live views. Get notifications as soon as the cameras detect something abnormal.

Easy & Smart Playback

Quickly review and locate certain video clips by event, vehicle, person, time, and more. This will greatly improve event backtracking efficiency and reduce labor costs.

Easy & Smart Playback

Quickly review and locate certain video clips by event, vehicle, person, time, and more. This will greatly improve event backtracking efficiency and reduce labor costs.

Four-Way Management

Flexibly manage your cameras via the web UI, NVR UI, VIGI app, and VIGI Security Manager for ease and convenience.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
