SILICON POWER SSD A55 256GB M.2 SATA 560/530 MB/s

Model: SP256GBSS3A55M28

Manufacturer: SILICON POWER COMPUTER & COMMUNICAT

EAN: 4713436121749

Product Code: 1187008

R1,660

Designed with M.2 2280 form factor (80 × 22 x 3.5 mm), compact-sized and case-less A55 M.2 2280 SSD perfectly fits into tiny-and-thin devices such as ultrabooks, tablet computers and mini PCs. Equipped with high-quality synchronous NAND flash chips and SATA III 6 Gb/s interface, the A55 M. 2 2280 offers impressive transfer rates of up to 560/530 MB/sec read/write. So if you need an instant upgrade solution for everyday computing applications or multitasking demands, the A55 is your perfect solution. Its intelligent SLC cache technology can boost writing performance to even higher peaks - for transfer rates at lightning speed!

Not only fast, also smart! Intel Smart Response Technology (ISRT) enables flexible computer configuration for improved overall performance and efficiency. It automatically identifies and stores your most frequently used applications to the SSD, while leaving your hard drive full of storage capacity. Ah! So you can combine a small-capacity SSD with a high-capacity HDD and enjoy an upgrade solution that won't cost you an arm and a leg.

The A55 M.2 2280 supports TRIM, NCQ and S.M.A.R.T. command. It also ensures stability and overall
