R1,313

The A4tech Bloody B1700 keyboard and mouse set offers a combination of features optimized for gamers. With a 1.8 m cable length and wired connectivity, the keyboard provides reliable response times and includes essential functions such as a macro record button and n-key rollover. The backlit neon design enhances the gaming setup, while the adjustable height allows for comfortable use during extended play sessions. Anti-ghosting technology ensures that every keystroke is accurately detected, providing an edge in competitive gaming environments.

The accompanying mouse features optical movement detection with a 6000 cpi resolution and a 1 ms response time, ensuring quick and precise movements. With a 1000 Hz report rate and a
