90% screen-to-body ratio. The anti-glare screen and Low Blue Light technology contribute to a comfortable viewing experience, making it suitable for long working hours. The device is powered by an Intel Core i5 processor with 8 cores, capable of reaching speeds up to 4.6 GHz, allowing for smooth multitasking and application performance. This notebook is equipped with a dual array microphone featuring noise-canceling technology for clear voice calls and audio capabilities enhanced by Dolby Audio. The integrated webcam includes a privacy shutter and Windows Hello for security. Supporting a wide range of connectivity options including USB-C, Thunderbolt 4, and HDMI, the Lenovo ThinkBook provides versatility for all peripheral needs. Additionally, Rapid Charge Pro ensures that the device stays powered across various environments, making it an ideal choice for professionals on the go.
