R39,700

The Samsung Galaxy S26 Ultra is a powerful smartphone designed to meet the demands of modern users. Equipped with a 6.9-inch Dynamic AMOLED 2X display, the device provides vibrant visuals and exceptional color accuracy. Its 200-megapixel rear camera system captures stunning photos, while advanced modes such as Nightography and Pro Video enhance your photography experience. With a 5000 mAh battery and support for Samsung Super Fast Charging 3.0 and wireless charging, the S26 Ultra ensures you stay connected throughout the day.

Powered by the Snapdragon 8 Elite Gen 5 processor and 8-core configuration, the phone delivers impressive performance, whether multitasking or gaming. Its robust connectivity options include 5G support and multiple navigation systems, ensuring reliable communication and location accuracy.
