

HyperX FURY Blue 8GB 1600MHz DDR3 memory module 1 x 8 GB 240-pin DIMM

Model: HX316C10F/8

Manufacturer: KINGSTON

EAN: 740617230383

Product Code: 1187578

R2,117

Get in the game with HyperX® FURY. Even newbies get up to speed fast, since FURY automatically recognises its host platform and automatically overclocks to the highest frequency published – up to 1866MHz – providing plenty of power for your next deathmatch. Affordably priced, FURY's asymmetric heat spreader design is available in black, blue, red and– for the first time in the HyperX line –white, with a black PCB. It's 100 per cent tested and backed by a lifetime warranty and free technical support.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
