JVC Active Noise Cancelling TWS White

Model: HA-A30T-W-U

Manufacturer: JVC

EAN: 4975769470196

Product Code: 1187770

R2,996

The HA-A30T Active Noise Cancelling wireless earbuds have JVC's unique earpieces designed to reduce noise for more effective noise cancellation. Up to 21 hours total playback time (Bluetooth ver. 5.2, Power Class-1). A 10-minute quick charge gives you 1.25 hours of playback. Talk or change the volume using either earpiece for single usage. Other features include rainproof IPX4, hands-free mic & voice assistant compatibility and low-latency mode for gaming and movies.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
