Connect up to 3 displays and plug in everything you need — five USB ports, HDMI®, DisplayPort™, and up to 2 Board-to-board (BTB) ports. With WiFi 6 and an Ethernet connection, you stay focused, and in full control — easily multitasking across apps, projects, and devices without slowing down.*Available only on Ryzen 3 processor in fanless variant

SECURED INSIDE & OUT

Keep Your Device & Data Protected

Keep your device and data safe with ThinkShield security via firmware Trusted Platform Module (fTPM). Smart USB protection blocks unauthorized access, and Kensington Security Slot™, safeguards against physical theft — so you can work confidently, knowing your device is secure wherever you go.

ONE SIZE THAT FITS ALL

Workplace Productivity Ensured

The Lenovo V105q desktop takes up very little space but delivers everything you need to get work done. From kiosks to tech call centers, it fits seamlessly anywhere, so you can set up quickly, stay productive, and make the most of your workspace — no compromises required.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
