R3,552

AQUILA PRO AI

Smart Wi-Fi, Smart Life

Experience the ultimate smart home networking solution with D-Link AQUILA PRO AI, built with advanced AI-enabled capabilities for whole home fast and reliable Wi-Fi coverage.

WHOLE-HOME COVERAGE

No More Dead Zone

Experience exceptional Wi-Fi signal and uninterrupted connectivity throughout your home with the AQUILA PRO AI M60 Mesh Wi-Fi 6 Router. Employing an advanced antenna configuration optimised to produce a more balanced 360° spherical Wi-Fi coverage range and equipped with 8 powerful antennas including one extra 5GHz antenna for extended range on the faster 5GHz band, the M60 ensures greater overall coverage and faster performance, making it perfect for high-bandwidth applications like 8K streaming and LAG-free gaming. And if you need more coverage, AQUILA PRO AI

is a grow-as-you-need Mesh solution, where you can add additional units to expand coverage and build a whole home mesh system.

SEAMLESS Wi-Fi

No More Having to Juggle Multiple Networks

Say goodbye to the hassle of remembering multiple usernames and passwords. Enjoy seamless Wi-Fi connectivity in your entire home with just one wireless network name (SSID). AQUILA PRO AI supports the 802.11 k/v standard for seamless roaming, ensuring uninterrupted streaming and video calls as you move around your home.

BLAZING-FAST SPEED

No More Lag and Buffering

Experience dramatically faster internet speeds with high-performance AX6000 dual-band Wi-Fi 6 technology. Supporting 160MHz bandwidth and 1024-QAM, the AQUILA PRO AI M60 can deliver extreme speed up to 6Gbps¹. The AI Traffic Optimiser* reduces buffering and congestion even further when running multiple devices simultaneously by prioritises your bandwidth usage, maximising your performance on intensive applications like 8K streaming, video conferencing and gaming.

RELIABLE CONNECTIVITY

No More Frustrating Weak Wi-Fi

The AI Wi-Fi Optimiser effortlessly enhances your Wi-Fi connection by continuously scanning your environment for the cleanest and most efficient Wi-Fi channel. On top of this, the AI Mesh Optimiser provides auto path optimisation and self-healing capabilities, ensuring reliable network connectivity. Say goodbye to Wi-Fi drops and slow speeds. Enjoy a fast and stable connection for all your devices.

NETWORK SECURITY

No More Network Worries

Ensure your children's Internet usage is on your terms with Advanced Parental Controls. Easily set profiles and restrict website access and schedule when your kids can access the Internet. Help keep your home network more secure around the clock with ETSI EN 303 645 cybersecurity standard and the latest WPA3 encryption, designed to provide robust protection for all your connected devices.

VOICE CONTROL

No More Having your Hands Full
