
UBIQUITI USW-Pro-XG-8-PoE Switch Etherlighting 8x RJ45 10GbE PoE 2x SFP+ 155W Layer 3

Model: USW-PRO-XG-8-POE

Manufacturer: UBIQUITI NETWORKS

EAN: 810177160144

Product Code: 1190239

R14,350

The Ubiquiti UniFi Pro XG 8 PoE delivers network performance, suitable for demanding environments. This switch supports a capacity of 1000 IPv4 routes and 128 ARP entries, allowing seamless connectivity for multiple devices. With eight versatile ports, including 10/100/1000/2.5G/5G/10GBase-T and two 10 Gigabit SFP+ connections, the Pro XG facilitates robust networking solutions. Its PoE budget of 155 W ensures that connected devices receive sufficient power, streamlining installation and management. Designed for reliability, the Pro XG operates within a temperature range of -5°C to 45°C and maintains performance in varying humidity levels of 10% to 90%. The switch incorporates features such as flow control, VLAN support, and quality of service (QoS), enhancing network performance and security. With support for Link Aggregation
