With an architecturally inspired design aesthetic fused with modern form factors, the ultra-slim profile, frameless bezel, and unique triangle stand form a sleek, minimalist monitor.

SuperClear IPS-type Technology

Enjoy rich, vivid color with consistent levels of brightness, no matter the vantage point. With SuperClear IPS-type panel technology, the VX3276-MHD-3 monitor delivers the same image quality whether you are looking at the screen from above, below, the front, or the side.

Full HD 1080p

The VX3276-MHD-3 features Full HD resolution for pixel sharp images. Experience amazing clarity and detail whether working, creating, or catching the latest shows.

ViewMode Optimized Settings

ViewSonic's ViewMode includes optimized Game, Movie, Web, Text, vMono, and Mac presets. Each preset offers specialized enhancements to deliver the optimal viewing experience for different scenarios.

Comfortable Viewing

Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods.

Powerful Sound

VX3276-MHD-3's dual integrated stereo speakers deliver powerful sound. When paired with incredible screen performance, the combination provides complete multi-sensory immersion.

Low Energy Consumption

VX3276-mhd's energy-saving Eco-mode is ENERGY STAR compliant and incorporates energy efficiency and power savings into the monitor's stunning screen performance.
